OFFICE OF THE SECRETARY

You can search for products by FL number or by any search criteria. Each criteria selected narrows the scope of your only one or two criteria. If you have the FL#, enter the FL# and the appropriate code version of the application and (Product Approval Number), select the product manufacturer and the code version and click search. Please note that the default code version is 2010 Florida Building Code which became effective March 15, 2012. Some one criteria to limit large system searches.
